## Sidcup Baptist Church

A church that loves and serves God, His people and His world

### Christianity Explored

CHRISTIANITY  
EXPLORED

In September, SBC will be running Christianity Explored—a 7 session series looking at who Jesus is, why he came and what it means to follow him. The course is for people who'd like to investigate Christianity, or just brush up on the basics. It's a long way off, but if you're interested in attending or leading, please speak to Alex Newens or Rachel Woolcott.

### New House group series

#### The Bible Course

In January, house groups will begin an 8 session series tracing the story of God and His people. It is suitable for those who know their Bible from cover to cover, but also those who have never really got to grips with it before. If you'd like to join a house group, speak to Alex or George. We also encourage you to promote this series with family & friends who want to know more about the Christian faith.
